The main city of **Bequia** welcomes with lively animation and cheerfulness, the tourists **cruising** on **rented sailing boats**.

There are many typical restaurants, modern residences, or fishermen's gathering places near the beaches, where their colourful boats are docked ashore.

Here there is the **customs** and a **cash dispenser** from which it possible to obtain local money. A destination that cannot be missed during any **holiday on sailing boat in the Grenadines**. I

n the port, it is possible to stock up water for your rented catamaran, by calling a lighter that will arrive in a few minutes: **Daffodil's Marine** on **channels 68 and 69**, or by calling **4583369** or **4583942**.

Pay attention with regards to the water: from here onwards, you can only stock up in Union.

During **cruises** in **catamaran** in the **Grenadines** and **Antilles**, **sailing boats**, whether **rented** or not, can find here support and assistance.
